MATERIALS OF THE CONFERENCE

Accepted materials will be published in the collection of conference abstracts, which will be posted on conference website.

If desired, conference participants can submit an article in the original language for publication in the collection of scientific works of UkrSURT and scientific and technical magazine "Information and control systems in railway transport"(included in Category 'B' of the 'List of Ukrainian Scientific Journals' and in the scientometric databases Index Copernicus, Google Scholar and others). Rules for the design of articles are given on the websites https://kart.edu.ua/unit/zbirnik-ukrsurt and https://kart.edu.ua/unit/zhurnal-ikszht. 1 ECTS credit is awarded for participation in the conference.

REQUIREMENTS FOR PREPARATION OF ABSTRACTS OF REPORTS

In order to publish the conference materials on time, the participants must send to the conference secretariat by **November 15, 2026** abstracts of the report up to 2 pages in format Surname.doc and Surname.pdf in one of the languages of the conference (Ukrainian, English).

Text materials are prepared and printed using text editors MS Word for Windows, text font should be 14 pt, typeface - Times New Roman, line spacing - 1, paragraph indent - 7 mm, for setting formulas use the built-in formula editor. Margins of 20 mm on all sides.

Authors are responsible for the content of abstracts of reports.

Thesis structure:

1. UDC is printed in capital letters, in bold.
2. The title of theses is printed in capital letters, in bold type (in the original language and in English).
3. Authors (academic degree, initials, surname), in bold, italic font (in the original language and in English).
4. The name of the organization where the author works (city), in italics (original language and English).
5. The text of the report or thesis.
6. List of references, text font 10 pt, typeface – Times New Roman, without indentation.

In order to register for the 5th International Scientific and Technical Conference "Intelligent Transport Technologies", you need to fill out the registration form by **November 15, 2026**, which is available at conference website, and send it together with abstracts of the report to the address of the conference organizing committee itt@kart.edu.ua.

Academic integrity: The conference organising committee ensures that each abstract undergoes a high-quality, anonymous peer review. The review process takes up to 2 working days. All submitted abstracts are checked for plagiarism using the StrikePlagiarism software.
