

CONFERENCE MATERIALS

Accepted materials will be published in the collection of conference abstracts, which will be posted on the conference website <https://kart.edu.ua/konferencii/3-mtk-ptzt>. If desired, conference participants can submit an article in the original language for publication in the collection of scientific works of the UkrSURT <https://kart.edu.ua/unit/zbirnik-ukrsurt> and the scientific and technical journal "Information and control systems in railway transport" <https://kart.edu.ua/unit/zhurnal-ikszt> (included in the list of professional publications of the Ministry of Education and Science of Ukraine and scientometric databases Index Copernicus, Google Scholar and others).

The authors are responsible for the content of the abstracts.

REQUIREMENTS FOR PREPARATION OF ABSTRACTS

For timely publication of conference materials, participants must send to the conference secretariat abstracts of up to 2 pages in the format Surname.doc and Surname.pdf in one of the conference languages (Ukrainian, English) by December 1, 2025. Text materials are prepared and printed using MS Word for Windows text editors, the font size of the text should be 14 pt, the font type should be Times New Roman, the line spacing should be 1, the paragraph spacing should be 7 mm, and the built-in formula editor should be used to type formulas. Margins should be 20 mm on all sides.

Abstract structure:

1. UDC is printed in capital letters, bold.
2. Abstract title is printed in capital letters, bold (in the original language and English).
3. Authors (academic degree, initials, last name), bold, italic (in the original language and English).
4. Name of the organization where the author works (city), italic (in the original language and English).
5. Text of the report or abstract.
6. List of references, text font 10 pt, font – Times New Roman, without indentation.

An example of the presentation abstract format can be viewed on the conference website <https://kart.edu.ua/konferencii/3-mtk-ptzt>

In order to register for the 3rd International Scientific and Technical Conference "PROGRESSIVE TECHNOLOGIES OF TRANSPORT VEHICLES", you must complete the registration form available on the conference website by 01.12.2025 and send it together with the abstracts of the report and a certificate of absence of plagiarism (can be obtained using the plagiarism check service).

The registration form with materials can be submitted electronically via the link:

<https://kart.edu.ua/konferencii/3-mtk-ptzt>

CONFERENCE CALENDAR

Acceptance of applications and abstracts	by 01.12.2025
Conference events	3-4.12.2025

The conference will be held online

CONFERENCE WORKING LANGUAGES *Ukrainian, English*

FINANCIAL CONDITIONS

Participation in the conference, publication of electronic abstracts, articles in the Collection of Scientific Works of UkrSURT and issuance of electronic participant certificates are free of charge.

Invite you to participate in the

3rd International Scientific and Technical Conference

«ADVANCED VEHICLE TECHNOLOGIES»

**December 3 — 4, 2025
Kharkiv, Ukraine**

***The conference organizing committee requests that you inform
the employees of your organization about this information***

DEAR COLLEAGUES!

Ministry of Education and Science of Ukraine, Ukrainian State University of Railway Transport, Transport Academy of Ukraine, Casimir Pulaski Radom University, Poznan University of Technology, University of Žilina invite you to participate in the 3rd International Scientific and Technical Conference “**Advanced Vehicle Technologies**”, which will take place on **December 3 — 4, 2025**.

The purpose of the conference is to implement advanced research methods of all means of transport, their modernization and recovery, rebuilding infrastructure, expand international cooperation, as well as to establish business contacts and commercial ties.

ORGANIZING COMMITTEE

Sergii Panchenko (Chair)	D.Sc., Professor, Rector of the Ukrainian State University of Railway Transport (Ukraine)
Artur Kagramanyan (Co-Chair)	Ph.D., Associate Professor, Vice-Rector of the Ukrainian State University of Railway Transport (Ukraine)
Valentyn Pustovhar (Co-Chair)	Director of the branch "Research and Design and Technological Institute of Railway Transport" JSC "Ukrainian railways" (Ukraine)
Jerzy Kaska (Co-Chair)	M.Sc., Eng., Director of Railway Market, MEDCOM (Poland)
Volodymyr Puzyr (Co-Chair)	D.Sc., Professor, Head of the Department of Operation and Repair of Rolling Stock of the Ukrainian State University of Railway Transport (Ukraine)

SCIENTIFIC COMMITTEE

Section “Design, Production, Service and Operation of Vehicles”

Yurii Datsun (Chair)	D.Sc., Professor of the Department of Operation and Repair of Rolling Stock of the Ukrainian State University of Railway Transport (Ukraine)
Serhii Voronin	D.Sc., Professor, Head of the Department of Mechanical Engineering and Technical Service of Machines of the Ukrainian State University of Railway Transport (Ukraine)
Mirosław Luft	prof., PhD, Head of Department, Casimir Pulaski Radom University (Poland)
Thierry Horsin	Prof. (Professor in Mathematics / Director of the Mathematics and Statistics Department), Conservatoire national des arts et métiers (France)
Volodymyr Moroz	D.Sc., Professor, Head of the Department of Mechanics and Machine Design

Mykhailo Babaiev	D.Sc., Professor, Head of the Department of Electrical Power Engineering, Electrical Engineering and Electromechanics of the Ukrainian State University of Railway Transport (Ukraine)
Borys Liubarskyi	D.Sc., Professor, Head of the Department of Electric Transport and Locomotive Engineering of the National Technical University “Kharkiv Polytechnic Institute” (Ukraine)
Igor Gritsuk	D.Sc., Professor of the Department of Ship Technical Systems and Complexes of the Kherson State Maritime Academy (Ukraine)
Edwin Gevorkyan	D.Sc., Professor of the Department of Wagon Engineering and Product Quality of the Ukrainian State University of Railway Transport (Ukraine)
Michail Kapitsa	D.Sc., Professor of the Department of Locomotives of the Ukrainian State University of Science and Technologies (Ukraine)
Oleksandr Ustenko	D.Sc., Professor of the Department of Operation and Repair of Rolling Stock of the Ukrainian State University of Railway Transport (Ukraine)

Section “Energy Efficiency and Energy Management of Transport Means and Infrastructure”

Oleg Vasylenko (Chair)	Ph.D., Associate Professor, Head of the Department of Heat Engineering, Heat Engines and Energy Management of the Ukrainian State University of Railway Transport (Ukraine)
Andriy Pidoprigora	Head of the Kharkiv Regional Department of Energy Management of the Department of Innovation, Technical Development and Quality Management of JSC “Ukrainian railways” (Ukraine)
Zbigniew Łukasik	prof., PhD, Casimir Pulaski Radom University (Poland)
Tomasz Perzyński	Associate Professor, Dr. hab. inż., Dean of the Faculty of Transport, Electrical Engineering and Computer Science, Casimir Pulaski Radom University (Poland)
Mirosław Rucki	prof., PhD, Casimir Pulaski Radom University (Poland)
Jerzy Wojciechowski	Associate Professor, Dr. hab. inż., Casimir Pulaski Radom University (Poland)
Olga Ananieva	D.Sc., Professor of the Department of Automation and Computer Telecontrol of Trains of the Ukrainian State University of Railway Transport (Ukraine)
Igor Redko	D.Sc., Professor of the Department of Heat Engineering, Heat Engines and Energy Management of the Ukrainian State University of Railway Transport (Ukraine)
Valery Deshko	D.Sc, Professor, Department of Heat Engineering and Energy Conservation of the National Technical University of Ukraine "Kyiv Polytechnic Institute named after I. Sikorsky" (Ukraine)
Andriy Redko	D.Sc., Professor of the Department of Architecture and Engineering Research of the Sumy National Agrarian University (Ukraine)

Larisa Timofeeva	D.Sc., Professor of the Department of Wagon Engineering and Product Quality of the Ukrainian State University of Railway Transport (Ukraine)
Alexei Alfiorov	D.Sc., Professor, Acting Director of the Institute of Vegetable Growing and Melon Growing of the National Agrarian Academy of Ukraine
Evgeny Novakivskyi	Ph.D., Associate Professor of the Department of Nuclear Power Plants and Engineering Thermal Physics of the National Technical University of Ukraine "Kyiv Polytechnic Institute named after I. Sikorsky" (Ukraine)

Section “Wagons: Construction and Operation”

Vasyl Ravlyuk (Chair)	D.Sc., Professor, Head of the Department of Wagon Engineering and Product Quality of the Ukrainian State University of Railway Transport (Ukraine)
Alyona Lovska	D.Sc., Professor of the Department of Wagon Engineering and Product Quality of the Ukrainian State University of Railway Transport (Ukraine)
Igor Martynov	D.Sc., Professor of the Department of Wagon Engineering and Product Quality of the Ukrainian State University of Railway Transport (Ukraine)
Juraj Gerlici	prof., Dr. Ing., prof.h.c., Head Of Department Of Transport and Handling Machines, University of Zilina (Slovak Republic)
Ján Dižo	assoc. prof., PhD., Vice-Head of Department for Education of Department of Transport and Handling Machines, University of Zilina (Slovak Republic)
Alexandr Safronov	Ph.D., Director of the State Enterprise "Ukrainian Scientific Railway Car Building Research Institute" (Ukraine)
Szabolcs Fischer	prof., Dr., Full professor, Central Campus Gy'or, Széchenyi István University (Hungary)
Svitlana Sapronova	D.Sc., Professor of the Department of Wagons and Wagon Management of the National Transport University (Ukraine)
Jacek Caban	Dr. Ing., Department of Automatization, Lublin University of Technology (Poland)
Andriy Sulym	Ph.D., Deputy Director for Scientific Work of the State Enterprise "Ukrainian Scientific Railway Car Building Research Institute" (Ukraine)
Oleksij Fomin	D.Sc., Professor of the Department of Wagons and Wagon Management of the National Transport University (Ukraine)

CONFERENCE SECRETARIAT

Andrii Sumtsov	Ph.D., Associate Professor of the Department of Operation and Repair of Rolling Stock, Ukrainian State University of Railway Transport (Ukraine)
Andrii Onishchenko	Assistant of the Department of Heat Engineering, Heat Engines and Energy Management of the Ukrainian State University of Railway Transport (Ukraine)
Vadym Shovkun	Ph.D., Associate Professor of the Department of Wagon Engineering and Product Quality of the Ukrainian State University of Railway Transport (Ukraine)
